

Minutes of PTA Meeting of 6th June 2023

First Parents teachers association meeting of academic year 2023-24 was conducted on Tuesday 6th June 2023

- The meeting started with an enlightening presentation by Mr Mature who is chief operating officer of FIRST MATH which works on innovative math programs.
- After Mr Mathur's presentation Sir Rajendra introduced newly elected PTA members and read out the third AGM's minutes and minutes are seconded by Kamna Mehta and Aarthi Padave.
- Then Sir Rajendra invited the Principal Dr Sanjay Roy to take the meeting ahead. In his speech Dr Roy thanked all the members for attending the meeting and announced the ICSE results congratulated all the members for 100 % results
- Dr Roy said for monsoon black floaters are compulsory, fancy foot wears and colorful floaters are not allowed. He also insisted that all the projects need to be completed in time, especially grade 10 students.
- Dr Roy enlightened the members about ten 10 compulsory bagless days proposed by new NEP and by government circular, under which school will be organizing the two projects' trips one short and one long, and project trips are compulsory for all students std 5 onwards.
- Dr Roy said New ID cards are under printing and children will be receiving them soon.
- Dr. Roy requested the parents to take the opportunity of attending an open day which school organizes on the last Friday of the month to know the progress of the child and understand the flaws of the child, which help the child to progress.
- Dr. Roy informed the members that school will be starting the remedial classes for the academically weaker children from the present academic year onwards, and, he said that children suffer a lot in running on corner of the city to other for tuitions, he said the school strongly discourages the tuition, teachers are more than enough for child to excel in his exams.
- Dr. Roy informed the members that the Annual Concert will be in December, he insisted the parents use the school app 'Edusprint' and not to use WhatsApp for school communication. He told the parents to monitor the child's books and pay attention to the child's growth.

- Dr. Roy informed the members about the appointment of India's national coach for training our students and every month national coach will monitor the BMI of each child.
- Dr. Roy informed members about the installation of CCTV cameras in every class and AC in the hall by benevolent management.
- Dr. Roy informed the parents that many times when teachers do bag checks extra books of tuition are found, if any extra books are found in the bag that books will be confiscated. And he also said that the steel missile shaped water bottles are not allowed, so he requested the parents to encourage the children to use light weight Milton's plastic bottles.
- Dr. Roy said If child is unwell, do not send the child forcefully to test by giving medicine, If child is unwell send a diary note with doctors certificate, the child will be given average marks. If a child comes for the test and want to go after test I that case child will get Zero.
- Dr. Roy informed that fancy watches and smart watches are not allowed, only simple analog watches a child can wear. If any smart watch child wears it will be confiscated and for winters only navy-blue cardigans allowed, if child wears any fancy colorful cardigans, they will be confiscated. He said boys' hair should not touch their eyebrow, for girls' hair should be properly tied with fleets and girls cycling shorts are compulsory.
- Dr. Roy requested parents not use school vans, if any untoward incidents happen the school is not responsible. He told parents to use the school bus.
- Dr. Roy informed the parents that std 9 final exam papers are coming from the board, so they need to be well prepared. He requested the parents not put much pressure on the children for studies, instead teach them to be street smart, good human beings, respectful towards the elders, teachers and parents and teach values and ethics and how to talk.
- With this Dr. Roy ended his speech and said any parent can come at any time to his cabin to solve any problem regarding children, without any prior appointment.

After Dr. Roy's speech sir Rajendra thanked all the members for their presence and invited them to the refreshments.
